## TAILORED TRAINING FOR YOU

ITMB can provide tailored training to suit your needs. All our training is delivered in partnership with Traveller communities who have experience and qualifications to deliver and facilitate training on health and wellbeing. We can help you access and work with your local Travelling communities. We have several publications that accompany our training programmes which are advertised on our website.

## ACCREDITED TRAINING

ITMB offers an accredited training course in Health and Wellbeing for members of the Travelling community. We offer many other training opportunities including internships and mentoring schemes.

The Irish Traveller Movement is a national organisation which works with Travelling communities, raising their profile and helping them to make decisions that effect their lives as well as influencing policy for all Travelling Communities.
