Volunteering

■ **Volunteering** is the practice of people working on behalf of others or a particular cause without payment for their time and services. Volunteering is generally to promote good, but people also volunteer for their own skill development, to meet others, to make contacts and for possible employment.

Volunteering for ITMB has been a platform for me to return to work.

■ You will have a full induction to the organisation, which will be an opportunity for you to find out more about what we do!

■ There are many different ways to volunteer within ITMB, and they are as follows:

- Policy Work
- Community Development
- Administration
- Duty Work
- Event management
- Media Monitoring
- Database maintenance
- And many more

You can download Volunteering information and forms from www.irishtravellers.org.uk

Could this be a step back into work for me??

■ Of course it could! This could be your opportunity to meet people, gather some work experience, brighten up your CV and gain a reference!

■ Irish Traveller Movement in Britain (ITMB) was established in November 1999 as a second tier community development charity.

■ It successfully gained charitable status as a national community development, policy and voice organisation in 2003

■ ITMB act as a bridge builder bringing the Traveller communities, service providers and policy makers together, thereby stimulating debate and promoting forward-looking strategies to promote increased race equality, civic engagement, inclusion, service provision and community cohesion

■ Irish Traveller Movement is a national organisation which works with Irish Travellers, raising their profile and helping them to influence policy.
